3 places to
Ski and stay

If you're planning a weekend near the slopes, these mountain town hotels fit the bill.

1

Antlers at Vail

An "old Vail" favorite with its enviable slope-side location only 150 yards from the Eagle Bahn Gondola at the base of Lionshead Village, Antlers at Vail shines as cutting-edge destination lodging that is part home away from home, part grand escape. Be sure to check out the stunning hotel's dedicated 50th anniversary website for info on special contests, packages and more throughout the rest of the year and into early 2023.

Element 29

Now open at the base of Copper Mountain, Element 29 brings a new lodging option to Copper's Center Village. The 127-guestroom hotel with sophisticated, modern finishes is located a short walk away from retail, dining and outdoor adventure. The property also features a panoramic view of Copper Mountain and the Sky Chutes as well as an outdoor patio with fire pits and two hot tubs nestled along West Tenmile Creek.
